

Verksamhetsrapport MRCIT LP3

Allmänt

Since the last meeting, we have done a few things:

- We got elected as the board members
 - We had a meeting with the previous MRCIT, and learned how they conducted events during pandemic. Our ambition is to conduct it differently since the pandemic is declining.
 - We had two team-building meetings
 - We have plans to conduct the events on Campus or another location outside.
 - We have plan of doing a city tour on a small scale by walk.
